Annual NYC School Survey: Very Important to PS9!

The 2019 NYC School Survey is Now Open! To take the survey online, you will need your survey access code printed on the survey materials that we have backpacked with students in the bright green envelope.

Each individual survey is available in Arabic, Bengali, Chinese, English, French, Haitian Creole, Korean, Russian, Spanish, and Urdu.

What is the NYC School Survey?

Each year, all parents, teachers, and students in grades 6-12 take the NYC School Survey. The survey is aligned to the DOE's Framework for Great Schools. It is designed to collect important information about each school's ability to support student success.

If you cannot find your survey materials, you can call the hotline at 1-877-819-2363, or visit <https://survey.avii.com/Survey/CodeLookup> to lookup your survey access code.

Please note: this survey is anonymous. No one at the DOE will ever see your individual responses.

Read more about the survey at:

<https://www.schools.nyc.gov/about-us/reports/school-quality/nyc-school-survey>

How is the Survey information used?

School leaders use feedback from the survey to reflect and make improvements to schools and programs. Also, results from the survey used to help measure school quality.

Pennies for Patients – PS9 Hero Squad 2019!

Heroes like Kennedy never take on cancer alone. Heroes need educators, parents, and students in their squad to overcome cancer and live healthier lives.

Through the Student Series campaign, children, teachers, parents and school administrators are able to directly support the mission of LLS by participating in one of their philanthropy programs. During the Month of March your child will participate in this exciting event at PS9! Coin collection boxes will be backpacked with students.

Several Ways to Participate

--Student Individual online fundraising page: students can create their own online page and share the link with family and friends, and even with parents' co-workers. Students will receive a thank you gift for collecting \$50 or more in online donations.

--Classroom Online fundraising: The school that raises the most funds online for Pennies for Patients will receive 40 tickets to a New York Mets day game this spring!!!! PS9 will keep track of online donations by class and if our school wins, the class with the largest online donation wins! We have created classroom pages so that online donations can be tracked by classrooms.

To find PS9's online page: Go to: <https://events.lls.org/pages/nyc/Ps9TeunisGBergen-2019>. To find your Class page: Type your teacher's Last Name only in the "class" search field on the left side of the page.

Working together on our Pennies for Patients campaign, we can turn our spare change into real help for real people! If you have questions about Pennies for Patients, contact Charmaine Derrell-Jacob at CDderrell@schools.nyc.gov or 718.638.3260 X1090, or visit LLS.org. **SOUTHWOODS EXIT, NEW YORK NY // 3810 487 187**

Beach Camping Trip

We'll be camping right on the beach at the Sandy Hook campgrounds, about an hour away by car in the Gateway National Recreation Area. This trip gives your child the opportunity to bond with a nice group of other young people their age in a relaxed environment where they set the schedule for the day. We have three sites reserved in the shaded tree area a short walk from the beach (lifeguards on duty all day, every day!) At night we'll have camp fires, board games and stories. We will also make excursions to a nearby boardwalk and water park (20-25 minutes away) and have the town movie theater 15 minutes down the road as well. Space is extremely limited, and so, sign up for this one now!

Voice of the Children promotes and facilitates activities that advocate young people's civil rights and autonomy. We believe that children should have significant decision-making power over all aspects of their own lives to improve their growth into competent and empathetic individuals who are agents of constructive change.
