Teunis G. Bergen School

December 11, 2017

Dear PS 9 Families,

I am excited to work with your child as a growing reader and thinker in the Book Hive, our school library. Soon students will begin to borrow books from the Book Hive. Choosing, borrowing and reading books from the school library are exciting for students and important for their academic success. Please discuss the rules and responsibilities of borrowing school library books with your child.

- Children may borrow one book at a time.
- Lost or damaged (beyond repair) book replacement fee:
- \$10.00, paperback \$20.00, hardcover

Tips for Taking Great Care of Books:

- Keep food and drinks away from books. Turn pages gently, from the top corner.
- When you're not reading them, keep books in a safe place out of reach of babies and pets.

Happy Reading,

Ms. S. Nelson
Library Teacher

(Please sign the Library Agreement below and return it to your child's teacher. Thank you!)

PS 9 Book Hive – Library Agreement

I have read the letter and discussed the rules of the library and responsibilities of caring for books with my child.
